Dear Sir:

Applicant notes that the Notice to Comply issued in conjunction with the Official Action of October 1, 2002, requires the submission of an Initial copy of the Sequence Listing in Computer Readable Form and a Statement that the contents of the paper and CRF are identical. I further state that the Substitute Sequence Listing does not include new matter.

The substitute copy of the computer readable form, submitted in accordance with 37 C.F.R. § 1.825(b), is the identical to the Substitute Sequence Listing submitted herewith.
